

Viewing EDS Webcast Events

Webcast events can be viewed live on your computer through the internet.

To take advantage of this opportunity your computer (pc or mac) must have:

1. high-speed internet access (in our experience wireless access is not consistently reliable)
2. an internet browser application (Internet Explorer, Safari, Netscape, etc)
3. speakers or headphones

The event can be accessed online, 10 minutes prior to the scheduled start time, at the following address by clicking on the URL link: <http://eds.na3.acrobat.com/edsconnect-events/>.

At the Adobe Acrobat Connect Pro Meeting entry page:

1. make sure the “Log in as Guest” option is selected.
2. type your name in the white text box
3. click “Enter Room”

The image shows a screenshot of a web browser displaying the Adobe Acrobat Connect Pro Meeting login page. The page title is 'Connect Pro Meeting Login - Windows Internet Explorer'. The URL in the address bar is 'https://admin.na3.acrobat.com/_a204712264/lambeth'. The page content includes the Adobe Acrobat Connect Pro Meeting logo, the event name 'Lambeth Review', and two login options: 'Enter as a Guest' (selected) and 'Enter with your login and password'. Below the 'Enter as a Guest' option is a text input field labeled 'Type your name:' and an 'Enter Room' button. A yellow callout box with a dashed border points to the 'Enter as a Guest' radio button and contains the text: 'This is a picture of the log in screen. (If it doesn't look like this, make sure the "Enter as Guest" option is selected.)'. Another yellow callout box with a solid border points to the 'Enter Room' button and contains the text: '1. Type your name in the white box. 2. Click the "Enter Room" button.' The page also features a circular logo for 'DIV. EPISCOP. IN. CANTAB. SIGILL. SCHOL. 11915'.

Help

If you find that you are not able to get logged in for a scheduled event you can contact *EDSConnect* for assistance by calling 617-459-0064.
